DIGITAL MUSIC Send to Alex Poteet newcanaanaquianas@gmail.comby Friday, February 16, 2024.

DIGITAL MUSIC SUBMISSION GUIDELINES

1. Digital music files (ACC, MP3) are to be submitted for routines for this competition.

2. Files received before the deadline will be transferred from emails to a computer, and then imported to iTunes or a compatible program and each file tested to ensure it plays. You will not be contacted if your music is submitted on time and if the music works. You will only be contacted if your music is missing or will not play.

3. Playlists will be created for each separate routine competition to be played through the sound system.

4. We recommend submitting 160 Kbit/s AAC or higher quality audio for best sound results. 128 Kbit/s MP3s are NOT recommended, if sending MP3 files please ensure they are at least 192 Kbit/sec.

5. A minimum one second leader (silence) before the music starts added to all files is strongly recommended.

6. Use the following naming conventions (see bolded below) when saving files. Routines names should be "space" separated.

Example: 12 & Under AG Duet OSU Smith Age Group: 12 & Under

Competitive Category: AG or INT = Category (Age Group or Intermediate) Routine Event: Duet

OSU = Three Letter Club Code

Smith = Last name of the first alphabetical member of the routine

JUDGES *Each club/team/unaffiliated athlete entered in the meet must provide at least one Zone level or higher judge for every 10 athletes entered in competition, (1-10:1 judge, 11-20:2 judges, 21-30:3 judges) that will be available to judge/officiate

during 80% of the events at the meet.

*Practice Judging will be accepted as available to judge while completing Zone rating for a 2 year period.

*Level 2 Certified Technical controllers (difficulty and synchronization, certification will be available from the USAS this season) will be counted in the above ration, assuming they are available to officiate during 80% of the events at the meet.

*If the club/team/unaffiliated athlete cannot provide a judge(s) a fee of \$20.00 per athlete registered will be assessed with a maximum of \$250.00 for the meet. Fee will be applied for judges not provided for every 10 athletes, i.e. if one judge supplied and 12 athletes registered, the fee would be \$40.00. Fee is due with meet entry and payable to East Zone in a separate check. Practice judging will be accepted as available to judge while completing the Zone rating, for a 2 year period, must be submitted with meet entry.

VOLUNTEERS We will be looking for panel writers and figure callers for the figure event Saturday morning. Please send a note in with your entry if you have any parents who are available to help.

RESULTS/AWARDS * Expect delays. We will try our best to run a smooth, timely competition, but with the new rules,

We have potential for delays due to needed technical review and scores processing.

* It is very possible that routine scores will not be available after each routine is swam. Technical controllers and judges will hold a post event competition meeting for review of coach card declarations and major potential deductions flagged by the Technical Controllers.

Medals will be given for places 1-3, ribbons for places 4-12.

KIM MILLER SCHOLARSHIP 50/50 raffle tickets will be sold. Winner announced at Sunday awards.
