

East Zone Officials Report

Convention September 2019

Thank you to all officials who judged and did oral panels this year, your willingness to be flexible is greatly appreciated. Thank you to Michal Fandel for managing the officials at the EZ Invitational A.

Thank you to Eugenia and Leah for their help organizing oral panels at national meets.

Reminders

Please continue to clearly mark events that you are not available for when filling out forms, the more info given the easier to make assignments.

Figure practice judging can only be done at the 13-15 zone meet, or a national meet with prior approval.

Progress/Promotions

Congratulations to Katie Rice and Jonghee Lee for becoming Zone Judges.

We have 10 individuals currently working on their zone level.
