East Zone Vice Chair Awards Report
March 2024
submitted by Anna Montgomery

East Zone Annual Awards

The annual East Zone awards will be awarded this weekend in conjunction with the Kim Miller Scholarship award. There were eight total nominations.

There have been 113 scholar athlete nominations for the East Zone Combined Championships. There are 8 graduating seniors participating in the East Zone Combined Championships.

East Zone Competition Awards

New East Zone Youth Championship ribbons have been ordered and are in stock, but the old 13-15 ones will be the majority of the neck ribbons given at the East Zone Combined Championships this weekend. These were ordered before the Youth designation was official and were purchased for multiple years of use. Neck ribbons were also ordered for Invitational, Junior, Junior/Senior, and June Championship competitions. Gold, silver and bronze medals in the new design were ordered and are being used at this competition. The older design of medals will be used up at the Invitational competitions later this month. A new batch of East Zone Scholar Athlete pins were ordered and should last 3-4 years. Total cost of the resupply order was $3299.83 including shipping.

Note that Hasty Awards is now charging for neck ribbon clips. For now the zone has a large stock, but in the future the cost of the clips will need to be added to the cost of the neck ribbons.

Respectfully submitted,
Anna Montgomery
East Zone Vice Chair and Awards Chair
